Novo Nordisk Access to Insight Grants Programme Basic Research Grant

This application form must be completed in full for you to be considered for the funding of the Novo Nordisk Access to Insight Grants Programme. An application will be considered for review by the Core Faculty members only if it is submitted with the requested documents, i.e. cover letter, curriculum vitae, and project description. The one-page cover letter should include a description of why you are applying, the research topic, and why you believe your research topic is important. Applicants are eligible to apply only if they will carry out the project at an institution, and if they have that institution's agreement to do so. Funding will be transferred to the institution and not to the applicant.
